

WELCOME TO THIRD GRADE

Dear Terrific Third Grader,

We hope you are ready for a terrific year in third grade. We are very excited to be your teachers this year!

Third grade is an exciting time as we will come upon new adventures in learning. We have so many wonderful stories to read to you, and we can't wait to teach you about communities around the world. In science we'll learn about many things including balancing forces, weather and climate, and environments to name a few. We'll also write many stories together, practice math facts in fun ways and learn to use them to solve problems. We hope you can tell us a few things that you'd like to learn this year as well. Maybe you can even teach us something new! Together we are looking forward to having a very fun and memorable year in 3rd grade!

The supply list for third grade is posted on the Hauppauge School Website under Forest Brook School. Don't forget to put your first and last name on all of your new supplies so nothing gets lost!

Most importantly, please remember to bring your enthusiasm for learning, a positive attitude, a sense of humor, a caring heart and a willingness to work hard. With these qualities in place, we can promise you third grade will be awesome!

We are looking forward to meeting you on the first day of school and hearing some great tales from your summer break.

Sincerely,

Mrs. Behme & Mrs. Scordo
