Dear Fabulous Fourth Grader,

I hope you are ready for a fantastic year in fourth grade. My name is Mrs. Behme and I am very excited to be your teacher this year!

The fourth grade curriculum is very interesting. I have so many wonderful stories to read to you, and I can’t wait to teach you about our history and the people that helped create our country and New York State. In science we’ll learn about many things including rock formations, vision and light, and energy to name a few. We’ll also write many stories together, practice math facts in fun ways and learn to use them to solve problems. I hope you can tell me a few things that you’d like to learn this year as well. Maybe you can even teach me something new! I know we are going to have a very fun and memorable year together!

The supply list for fourth grade is posted on the Hauppauge School Website under Forest Brook School. Don’t forget to put your first and last name on all of your new supplies so nothing gets lost!

Most importantly, please remember to bring your enthusiasm for learning, a positive attitude, a sense of humor, a caring heart and a willingness to work hard. With these qualities in place, I can promise you fourth grade will be awesome!

I’m looking forward to meeting you on the first day of school and hearing some great tales from your summer break.

Sincerely,

Mrs. Behme
