

August 2023

Dear Fourth and Fifth Grade Parents,

I hope you had a healthy, relaxing, fun-filled summer and are ready to begin a great school year. I am so excited to be teaching 4th and 5th grade at Forest Brook! I am looking forward to seeing many familiar faces in our class and welcoming a few newcomers to our school family!

Your children will be working very hard in school and are often so excited to share their new knowledge with you. There are many ways you can help your child's confidence grow and encourage success in school. Check on them when doing homework and give praise for work well done. Take notice of work sent home. Remind your child they should be proud of themselves, just as much as you are proud of them. Most importantly, read with your child! In doing this, you become an active participant in your child's education.

Please find a list of school supplies your child will need on the Hauppauge website. Also, we will be having a daily snack. Please send in a healthy snack for your child. If utensils are required, they will need to bring those as well. Other important information regarding classroom routines and policies, grade level curriculum, goals and expectations will be thoroughly explained and discussed at Back-To-School-Night. I look forward to seeing you there!

Together we can make sure this year will be the best it can be. As always, it is important that we build a strong line of communication to provide a connection between school and home. If you have questions at any time, please do not hesitate to call or email me.

Thank you very much in advance for your cooperation. I am looking forward to sharing a special year with you and your child!

Sincerely,

Mrs. Bombard
