Go to *Student Services*.

Under subheading *School Year Enrichment Programs*,  
click on *Hauppauge Saturday Enrichment Program*.

MasterCard, Visa, Discover and ACH accepted

**PLEASE NOTE:**

1. Select any courses in which you would like to enroll your child. Course enrollments have limits and, therefore, will be filled on a first-come, first-served basis. We will do our best to accommodate all selections.
2. SCOPE requires a minimum enrollment to be met in order to run the program and reserve the right to cancel a course due to insufficient enrollment.
3. **Confirmations will be emailed about one week prior to the start of the program. Please contact SCOPE if you do not receive an emailed confirmation. It is the parent's responsibility to see that their child is present on the first day of class. No credit/refund will be given.**
4. **Course fees are nonrefundable after Friday, January 11, 2019. Refunds issued prior to January 11<sup>th</sup> will incur a \$10.00 processing fee.**

*For information, please contact SCOPE at  
631-360-0800 ext. 148

## ENRICHMENT COURSES

Session 1: 9:00 a.m. - 10:30 a.m.

Session 2: 10:30 a.m. - 12:00 p.m.

### CALM, COOL & COLLECTED

Homework? School? Not in this class! We will focus on staying calm, cool and collected. Exercise your brain and body through meditation & yoga. In addition, students will create sensory bottles and kits to enjoy at home! So join us in this mindful class as we practice staying cool.

Course #1 - Session 1 Grades 3-5

Course #2 - Session 2 Grades K-2

### CODING AND TECHNOLOGY FOR KIDS

Do you enjoy playing video games and using apps? Would you like to know how they are made? Join our class and learn the basics of computer programming. You will learn how to code so you can begin designing your own games and apps! **Returning students welcome to join for all new activities!**

Course #3 - Session 1 Grades K-2

Course #4 - Session 2 Grades 3-5

### DELIGHTFULLY TASTEFUL

Don't ask "what's for lunch?" Let's make it yourself! Kids' favorites will be prepared. Get ready to dig in, enjoy the food, gain cooking skills and have fun! The chefs will also create and design their very own cookbook from the recipes in this course. The kitchen classroom is the tastiest place to learn and have fun! Bon Appétit!

Course #5 - Session 1 Grades K-2

Course #6 - Session 2 Grades 3-5

### MAKERSPACE

Calling all kids! We need your creative minds to explore, invent and problem solve through hands-on learning tasks. You will work both individually and collaboratively on STEM-based activities. Get ready to create things like luge tracks, obstacles for marbles, circuits, LEGO cities and more.

Course #7 - Session 1 Grades 3-5

Course #8- Session 2 Grades K-2

### WINTER WONDERLAND CRAFTS

Do you have an interest in the winter and enjoy the snow? Join this hands-on & "COOL" session to create your own puffy paint snowman, snowflakes, personalized snow globes, and design a mug ALL while indoors! We'll even make colorful snowflakes to brighten up the wintertime and enjoy a cup of hot chocolate!

Course #9 - Session 1 Grades K-5

Course #10 - Session 2 Grades K-5
