

September 2023

Dear Second Grader,

Welcome to Second Grade and Camp Kelly! I am very happy that you will be in my class this year and thrilled for school to start so we can meet and begin a great year together!

I hope that you had a terrific summer! I am excited to learn all about you and what you did over summer vacation. The Kelly Family had fun swimming, camping, spending time together and traveling to Lake George!

This year we will learn about a lot of cool things! I would like to share with you some of the topics we will explore. In Social Studies, we will study all about yourselves, holidays and the many people who work in our community. In Science, we will learn about animals, plants, weather, magnets, and do great hands-on experiments. In Math, we will learn about number bonds and to add and subtract larger numbers. Together we will read many great books and write a lot of creative stories. It is going to be an exciting year of learning!

Part of the fun will be getting to know each other and making new friends. Please write a short note and draw a picture to tell me about yourself. I would love to find out about your interests and talents. Feel free to add anything else you would like me to know about you.

Finally, we will be working on many projects and activities together this year. I am counting on you to be a “team player” and join in the fun! Please remember to bring your school supplies and your note on the first few days of school. Bring one healthy snack each day as well. I will see you soon! Enjoy the rest of your summer!

Love your teacher,

Mrs. Kelly

September 2023

Dear Second Grade Parents,

I would like to welcome you and your child to Second Grade at Camp Kelly! I hope you had a relaxing and fun-filled summer! I am very excited and eager to start a new school year! Together we can make sure this year will be the best it can be. It is important that we build a strong line of communication to provide a connection between home and school. Please feel free to contact me whenever you would like either by phone or school email. Our class will be learning about many new and fascinating things and be participating in many exciting and enriching activities together. This will certainly be a successful and positive year for all!!

I am looking forward to meeting and working with your child. If you would like me to know specific details about your child at the very beginning of school, feel free to send in a note on the first day.

Please find a list of school supplies that your child will need for Second Grade on the Hauppauge website. We will be having snack once daily so please send in a healthy snack for your child. Please TAG your child's backpack with their full name and dismissal route: Bus information such as bus letter, Walker, or SCOPE. Other important information regarding classroom routines and policies, Second Grade curriculum, goals and expectations will be thoroughly explained and discussed at Back-To-School Night (Open House).

Thank you very much in advance for your cooperation. I am looking forward to sharing a special year with your child and meeting you at Open House. Together, we will make a successful team!

Respectfully,
Mrs. Jennifer Kelly
