Dear 3-3 Parents,

K

Welcome to third grade! I am looking forward to an exciting year with your child. I am here to make sure this year is the best it can be. It is essential that strong lines of communication are established providing the bridge between home and school. I will be in touch with you in many ways during the year and will expect contact from you if my assistance is needed. Please remember -ANY QUESTIONS-ANY TIME-PLEASE CONTACT ME

C

B

If you would like to, please write a letter telling me about your child. Since you know your child best, I find that this letter is a wonderful opportunity for me to know your child a little more quickly than I might normally. You may include any special things you wish to share, and send the letter to school with your child on the first day of school.

☺

E

Please find a list of school supplies your child will need for third grade on the Hauppauge website. Also, please send in a healthy snack each day. Please do not send in anything made with nuts and seeds for snack. Other important information regarding classroom routines and policies, third grade curriculum, goals and expectations will be explained and discussed at Back-To-School-Night.

Dear 3-3 Students,

K

Welcome to third grade! My name is Mrs. Mulligan, and I am looking forward to having you in Class 3-3. We will be spending time getting to know each other and making new friends. We will grow together, just like a family, and you will be an important piece to our Class 3-3 puzzle.

This year you will be learning many wonderful things. You will research exotic animals and learn about places around the world. In math, you will learn how to multiply and divide. You will be writing wonderful stories and traveling to new places as you read lots of interesting books. I love to read and hope you do too!

We have a terrific year ahead. We will be using Google Classroom to enhance our learning. I ask that you join our Google Classroom before the first day of school. The code is: **oxanmj5**

I can't wait to hear about your summer adventures. We have so much to share, so get ready for an exciting year, and be ready to come to school with a smile each day.

Your teacher,  
Mrs. Mulligan :)
