

Dear Class 2-3,

Hello! I'm thrilled to officially welcome you to second grade! I am very happy that you will be in my class. Hopefully you had a relaxing, fun-filled summer and you're ready to begin a new school year.

We are going to learn so many new and exciting things together. I'm looking forward to reading lots of books, setting writing goals, learning cool math tricks/strategies, exploring science, technology and much more.

This year we will also focus on working together as a class family. It will be important to treat each other with respect and kindness. With teamwork, we will have an amazing year in Class 2-3. It will surely be one you will never forget!

As summer winds down, please gather your supplies and have a healthy snack & water ready for the first day. Also, **please write me a friendly letter** to help me get a head start in learning about YOU. What are your hobbies/interests? What are you hoping to learn in second grade? What's your favorite/least favorite subject? Tell me something unique or funny about yourself. To learn more about me, scan this QR code. Enjoy these last lazy days of summer. I will see you soon!

Your teacher,
Mrs. Rivera
