

Hello Students,

YOU HAVE BEEN CHOSEN FOR OUR CLASS!

My name is Dr. Vogel and I will be your teacher for the new school year! I am really looking forward to all of the fun and learning we will do this year at Forest Brook.

You will learn so many new things this year and will have a great time! We have many fun activities planned for you!

There will be many fun things for you to play with, learn with, and explore in our classroom.

I am so happy I get to work with you and I truly cannot wait to see you on our first day of school

Love,

Dr. Vogel and the Room 209 Staff

To the Parents/Guardians:

I am beyond excited to be working with your children this school year. I look forward to meeting you all soon.

If you have any questions for me, please feel free to reach out to me at socccad@hauppauge.k12.ny.us I will be sure to get back to you as soon as possible. My e-mail may change soon as I just got married and I'm waiting on my new paperwork so I can change my school email address.

As a Hauppauge graduate myself, I am really looking forward to this year. I have been in the field of special education for the past 15 years and I'm also a Board-Certified Behavior Analyst-Doctorate (BCBA-D). I have used the science of ABA within classrooms throughout Long Island, and I am excited to bring this knowledge to Forest Brook. I look forward to building truly collaborative relationships with you. Again, please feel free to reach out to me with any questions or concerns.

Sincerely,

Dr. Vogel
