

To my Terrific Third, Fabulous Fourth, and Fantastic Fifth Graders,

My name is Mrs. Bombard and I am very excited to be your teacher! This school year is going to be filled with new adventures, learning and so much fun. I would like to tell you a little bit about myself. I have been teaching for 15 years! I love spending time with students and helping them achieve their goals. I am looking forward to seeing you meet your goals, and being a part of your learning journey!

I joined Hauppauge during the summer of 2021 as a teacher in the summer program. It was so much fun! I was so happy to have the opportunity to teach 6th grade in the Middle School this past spring, and was even more lucky to join you at Forest Brook in June to finish out the school year in 1st grade. I have also taught 4th and 5th grades in another district. I was a part of the summer program again this year, and even had the awesome opportunity to meet some of you!

Besides my students, the other important people in my life are my family. My husband and I enjoy traveling, spending time on the beautiful shoreline of Long Island and going to see a baseball game (Let's go Mets!) any chance we can! I know as the year goes on I will have plenty of stories to share. I cannot wait to hear about your special moments with your family.

It is not necessary to have all of your supplies with you on the first day of school. If they could be brought to school by the end of the first week it would be much appreciated.

I hope that you enjoy the rest of your summer vacation and I look forward to seeing you soon!

Sincerely,
Mrs. Bombard

P.S. Let's play *Where in the World Is Mrs. Bombard?*

Can you guess where I am in this picture?! Bring your answer on the first day!

Hint: This tower is often confused with a bridge that is 🎵 falling down, falling down 🎵
