

Dear Fabulous 4th Grader,

Welcome to fourth grade! We are very happy that you will be in our class this year. We are excited for school to start so we can meet and begin a great year together!

This year we will learn about a lot of cool things! How much do you know about where we live? We will study all about New York State. We will also study Native Americans and their place in New York State history. We will take some fun field trips that will add to our study of Long Island and Science Curriculum. Together we will read many great books and write a lot of creative stories. In math, we'll learn exciting new things in multiplication and division. In science, we'll explore plants, electricity, animals, and much more! It's going to be an exciting year of learning!

The supply list for fourth grade is posted on the Hauppauge School Website under Forest Brook School. Don't forget to put your first and last name on all of your new supplies so nothing gets lost!

Most importantly, please remember to bring your enthusiasm for learning, a positive attitude, a sense of humor, a caring heart and a willingness to work hard. With these qualities in place, we can promise you fourth grade will be awesome!

We are looking forward to meeting you on the first day of school and hearing some great tales from your summer break.

Enjoy the rest of your summer vacation. We will see you soon!

Your Teachers,
Mrs. Brusca & Mr. Boehle
