

We hope you are having a great summer and are enjoying the remainder of your vacation. When you start school in September, we will be your new teachers. Our names are Mrs. Woolsey and Ms. Kogel. We would like to welcome you to our first grade classroom. While you've been on vacation, we have been very busy getting our beautiful classroom ready for us. We have also planned some fun and interesting activities for the upcoming school year.

We can't wait to meet you on our first day and we are sure you must be as curious about us as we are about you. We want first grade to be the most special year for you, so please remember that we have to work together as a team. We'll be there to listen to you and we hope you will be a good listener, too.

Please remember to bring a snack with you to school each day. Your snack should be packed with your lunch. Also, it is helpful for you to discuss with your child if they are buying and pick their selection before the school day starts.

We hope that you are able to find all the supplies that you will need for first grade. Please bring these supplies on the first day. If you bring these items along with a giant smile, we know we'll be off to a great start!

Enjoy the rest of your summer. We hope you are excited about our new year. We know we are! ☺

Love your teachers,

Ms. Kogel and Mrs. Woolsey
