

Dear 5th Grade Parents,

I hope you are off to a great start to your children's final days at Bretton Woods, and I know it seems early to think about the 5th grade graduation DVD, but there is a lot of preparation involved.

I am asking for all parents to email me (shasha114@optonline.net) or send in ONE photo of your child during their Kindergarten school year. School photos or pictures taken at the house or bus stop would all be great. The beginning of the school year would be best as it will show the comparison from the start of kindergarten to the end of 5th grade. Place all photos in an envelope with child's full name and class (Please, also write on Envelope: "Send home with Ryan Rudden in Mrs. Weeks Class"). All photos will be returned.

I will also welcome GROUP pictures that you have taken at SCHOOL EVENTS (Due to limited time allowed for the video, I can only accept group photos, for this portion of the DVD) All pictures should be labeled on the back with child's name, current class number, grade and event that picture was taken. Once scanned, I will return photos.

Please be aware that as much as I would love to, I cannot guarantee each child will be acknowledged in the video. Occasionally, due to the quality or format of certain photos I am unable to include in the DVD. But, please send what you have as early as possible, so that I am able to give it a much of an effort as possible.

Thank you in advance, I am excited to get this project underway!

Sincerely,

Sharon Rudden
