

GIRLS VARSITY GOLF TEAM COMPETES IN SECTION XI CHAMPIONSHIP AND PLACES FOURTH

By: Andrea Darbee,
Girls Varsity Golf Coach

The Girls Golf team competed in the Section XI Championship on May 20th and 21st at Middle Island Country Club. The Eagles earned a spot at the championship after a 7-3 season finish, beating the previously undefeated Smithtown West in their last home match at Stonebridge Golf Club on May 9th.

This was the team's first time competing in the team championship. On day 1 the team was led by their Captain, Senior Colleen Buckley and Sophomore Madison Amico who shot an 87 and 101 respectively. The team's performance earned them a spot in the team competition during the second day. Only four teams of the twelve competing were invited back for the second day.

The team finished fourth in the team competition after battling tough winds and faster greens on Day 2. Colleen Buckley finished 4th in the county with a Day 2 score of 85 and a two day total of 172. Buckley, who is playing golf for Union College next fall, will advance to the NYSPHSAA Championship at Deerfield Country Club in Brockport, New York on June 1st and June 2nd. This is Colleen's second time making the All-County team and competing at the state competition. Both Colleen Buckley and sophomore Olivia Accardi achieved All-League honors this season, placing in the top 12 in League 4.

Congratulations to the team! We wish Colleen Buckley good luck at the State Competition on June 1st and 2nd!

NATIONAL HISTORY DAY COMPETITORS RECEIVE BOARD OF EDUCATION RECOGNITION

The Board of Education held a special recognition on Tuesday, May 28th at their meeting. A very awesome group of high-achieving students recently competed in April in the NYS History Competition which was held in Cooperstown.

Lucas Cavanagh placed first in New York State with his individual documentary on *Ryan White* who was an American teenager who became a national poster child for HIV/AIDS in the United States after failing to be re-admitted to school following a diagnosis of AIDS. Doreen Gordon, Director of Social Studies and Business added that Lucas was able to score an interview with the mother of Ryan White for his project.

Caroline Fortmeyer placed second for her historical paper on the *Love Canal* which is a neighborhood in Niagara Falls, NY and is known as one of the most appalling environmental tragedies in American History.

Both Caroline and Lucas will be attending the National History Day Competition in June at the University of Maryland.

Also honored were Peter Proscia, Rose Reece, Kate Dolce, Vincent Gerardi and Michael Seda for their performance on Audrey Munson. Audrey Munson is known as America's first supermodel. Her likeness can be seen all across New York City in statues including the Manhattan Municipal Building and the carved stone facade of the New York Public Library. This group placed third and are the first runner up for the National Competition.

Emma Vasilakopoulos received third place at Long Island History Day for HS Historical Paper; "Engendering Progress: How the Rwandan Genocide Furthered Women's Rights."

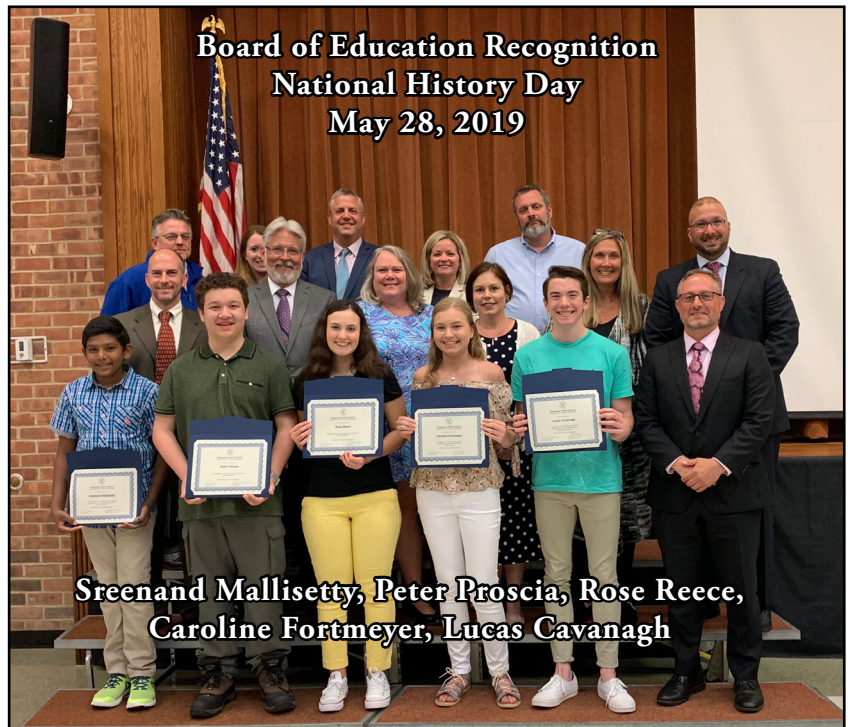

Special Awards at Long Island History Day were earned by:

Sreenand Mallisetty - MS Grade Conservation, Preservation, Restoration or an Entry tied to a Historic Site Award sponsored by Fire Island National Seashore - "Re-routing the Chicago."

Emma Claps - HS Labor History Award sponsored by NYSUT "The Newsboys of 1899: The Tragedy to Triumph on the Streets of New York" (exhibit).

Kerry Deasy and Teresa Deasy - HS Sports History Award sponsored by the Atlantic Baseball Club "From Homemakers to Play Makers: The Triumph and Tragedy of the AAGPBL" (group exhibit).

MATH EXCITEMENT WAS RUNNING WILD FOR THE 12TH ANNUAL SUFFOLK COUNTY ELEMENTARY MATH TOURNAMENT

Students from grades 4, 5 and 6 competed on Thursday, May 30th at the 12th Annual Suffolk County Elementary Tournament which was held at Stony Brook University. School teams of five students each competed in two events: 10 individual problems and 10 team problems. Solutions for each problem were reviewed thoroughly and tie-breaker problems were given if needed.

The competitors assembled at Forest Brook Elementary School prior to boarding the bus and grabbed a quick breakfast bite while warming up their math skills with some Sudoku sheets. I spoke to Nicolas DiLorenzo and Aidan Buscarino who are 5th graders at Forest Brook. They both said they were looking forward to the competition, but were a little nervous since this is their first time competing.
