We will be collecting nonperishable canned food items for the local food pantry during the parade. If you have any donations, please bring them to your stop.

Thank you!

NOTE: We will try to keep as close to schedule as possible, but please forgive us if we are running a little late. Also, please keep the stop areas free of vehicles so that the Fire Apparatus can fit down the street and navigate the turns. Thanks!

Caution: Parents please watch your children as the parade approaches! Do not approach the vehicles until they come to a full stop. We do not want to have any accidents!
