Dear Bretton Woods Families, Students and Staff,

HAPPY NEW YEAR!

The English as a New Language (“ENL”) Teachers of Bretton Woods have chosen the book *People*, written and illustrated by Peter Spier, for our Book of the Month selection for January. Peter Spier is one of the most beloved children’s illustrators.

People takes you on a tour around the world, and teaches readers about the many details that make each country and culture unique. We chose this book because our school represents, like this book, a celebration of the many differences that we see around the world.

We are pleased to share the message of celebrating diversity. There are many cultures in the world, just like in our school!

Sincerely,

The BW ENL Teachers
