HIGH SCHOOL STAFF, STUDENTS AND COMMUNITY MAKE SOME HOLIDAY MAGIC

Shannon Griffin, high school social worker, would like to thank the high school staff, students and community for their support and generosity in creating some “holiday magic” for families in need this year.

Shannon said, “This week, we will provide 42 children in our community with a little “holiday magic.” Your overwhelming generosity has allowed us to provide gift cards/financial support to 20 families.”

In the past two months, they were able to:

- Collect 45+ gift cards donated from our staff
- Receive 32 gift cards in the amount of \$75 each from Smithtown Children’s Foundation
- Raise (through donations and fundraisers) over \$4,500.00

Shannon also said, “This all came as a collective effort of our staff, students and community. Thank you all for your support. Happy Holidays!”

MIDDLE SCHOOL STUDENTS SHOW THANKS FOR DOCTORS, NURSES AND ESSENTIAL WORKERS

Middle School students recently had a great day celebrating “World Kindness Day.” Their group of monitors, Susan Annunziata, Darlene Martello, Renne Clavin, Paulette Grandov, Barbara Memoli, Janet Milessen and Lisa Abrahms, were busy creating and cutting out “Thank You” cards for essential workers.

Students expressed their thankfulness by writing out cards during lunch periods. Ms. Annunziata delivered them to St. Catherine’s Hospital and St. Charles Nursing Home. A few of the Middle School staff members had family members who work in hospitals on Long Island as well and the will be bringing cards to Mather Hospital and Peconic Hospital. Over 350 cards were delivered to the various hospitals!

Thank you to our students for their thoughtfulness and appreciation of the work of our essential workers and thank you to our school monitors for facilitating this wonderful experience for our students.

THANK YOU TO THE HELPERS.

HIGH SCHOOL FOREIGN LANGUAGE STUDENTS ENJOY SOME TIME OUTDOORS

With weather permitting, Herr Sidwell and Mme Pavlides were able to take their German 2 and French 2 students on a nature walk around the school grounds.

The students learned how to talk about the environment of the school grounds in both languages. After the walk, they took some time to teach each other a few words in their respective languages!

Here are some nice photos of their time outdoors.

HIGH SCHOOL STUDENT IS GIVING BACK DURING THIS HOLIDAY SEASON

Kevin McLoughlin is a high school senior. He recently heard of a nice way to give back and do something good during the holidays, especially this year with COVID.

This is Kevin's first year collecting "Toys for Tots." He first purchased toys himself to donate, but with his interest in cars, he started collecting from the car shows he attends throughout Long Island. Kevin has even gone so far as to decorate his car to signify he is working to make Christmas happy for those in need by collecting for "Toys for Tots."

Thank you, Kevin, for your work in making Christmas bright for children in need. You are a true example of kindness and compassion towards others.
