"KICKS FOR CANCER"

Our school district and community participated recently in the 14th Annual "Kicks for Cancer" held on Thursday, October 14th. All of our students got in the spirit! The five days prior to the event were special to show support for the event. Kids wore crazy socks, team jerseys and dressed like twins, etc. Food, games and fun were had by all who attended the the Boys and Girls Varsity Soccer games. The whole venue was a "sea of pink!"

This fundraiser was started 14 years ago by Girls Varsity Soccer Coach, Jesseca Kulesa, when one of her team members, Alexis Gonzalez, came to her asking how the team could put something together to help one of their teammates, Courtney Tomkin, who had been diagnosed with brain cancer. During that conversation, "Kicks for Cancer" was born. In the past 14 years, this annual event has raised over \$300,000 to be donated to various charities.

Here are some great pictures from a week full of fun and support!

BRETTON WOODS CELEBRATES "RED RIBBON WEEK"

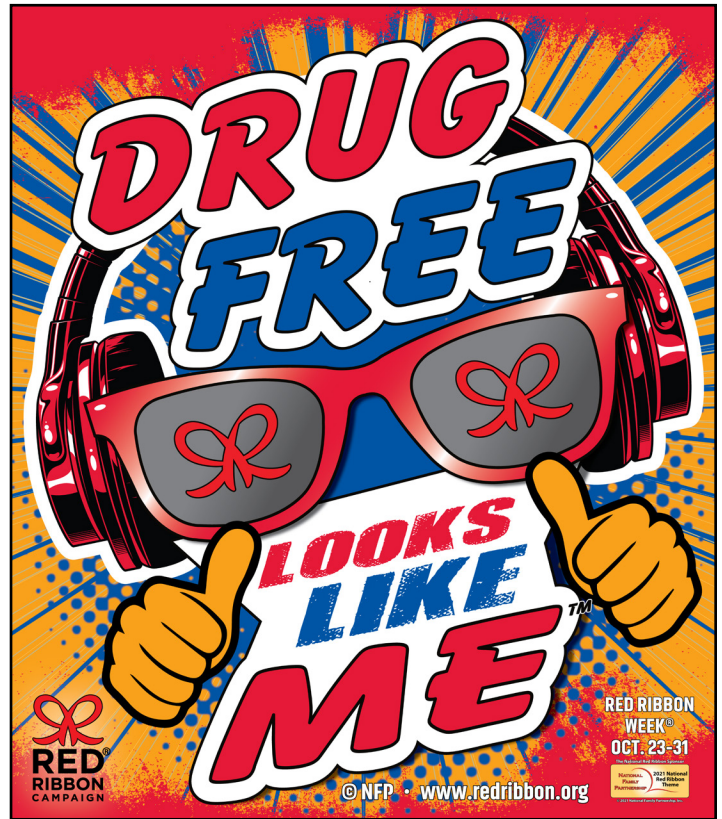

This past week, students at Bretton Woods Elementary School celebrated "Red Ribbon Week." The Red Ribbon Campaign is the oldest and largest drug prevention program in the nation, reaching millions of young people. This year's theme "Drug Free Looks Like Me." was submitted by a 7th grade student from Solon Middle School in Solon, Ohio. This year's theme is a reminder that everyday Americans across the country make significant daily contributions to their communities by being the best they can be because they live Drug-Free!

In support of Red Ribbon Week, Bretton Woods participated in the following activities:

- Monday, October 25th - A Red Ribbon Pledge was sent home with students to sign. The completed pledges were displayed in the main hallway.
- Tuesday, October 26th - "Put a Cap on Drugs" - Students and staff wore a hat or cap to school!
- Wednesday, October 27th - "Be on a Drug-Free Team" - Students and staff wore their favorite team shirt or jersey to school.
- Thursday, October 28th - Students and staff wore

RED to show their support for the importance of living a drug-free, healthy lifestyle. Students also participated in a virtual assembly presented by the Horizons Counseling and Education Center.

Here are some great photos of the students celebrating living drug free! Thank you to Denise Murphy for providing these.
