HAUPPAUGE WRESTLERS WIN LEAGUE IV CROWN

Our very own Hauppauge Wrestlers recently won the "League IV Crown" on January 12, 2022. Hauppauge took down West Islip in its final league dual meet of the season, winning 9 of 13 bouts and sailed on to a 47-19 victory! Prior to the meet, the team's seniors and coaches were recognized.

Coach Chris Messina said the following to Anthony Lifreieri of the *Smithtown News*, "Winning a league championship is something we didn't expect, and we're very happy about it. Assistant Coach, Mike Messina and I said we had a lot of holes to fill coming into this season, and we had to count on some young guys to do it. Thankfully, we have a group of really good freshmen who stepped up. I thought we were going to be really powerful down the road, but their contributions this season made this championship possible."

Congratulations to the team and their coaches! Here are the stats from the meet and some great photos with special thanks to Charles Clackett for providing them.

FOREST BROOK STUDENTS EXPLORE THEIR FUTURE OPTIONS DURING "COLLEGE AND CAREER WEEK"

Forest Brook students recently explored their future options during "College and Career Week" which was held from January 10th through 14th. They had the opportunity to explore different careers and post-secondary options through games and activities during class.

On Thursday, January 13th, Forest Brook held their annual "Career Day." On this day, fourth and fifth grade students enjoyed a variety of career presentations which were made possible by parent and community volunteers. Presenters showed pictures, tools, and equipment that they use in their day-to-day work.

HIGH SCHOOL BUSINESS STUDENTS BRING THE JUNIOR ACHIEVEMENT PROGRAM TO BRETTON WOODS

On Friday, January 14th, approximately 115 high school business students under the direction of John Salvaggio, Frank Hufnagel and Kathryn Donnelly took over Bretton Woods Elementary School. The students taught financial literacy to all students in Bretton Woods under the Junior Achievement Program.

The business students were trained by Mr. Salvaggio with the help of Linda Furey, Associate Director of Junior Achievement of New York. Hauppauge has participated in the program for several years.

This program gives high school students an opportunity to give back to their community. Sometimes students are fortunate to teach in the classrooms with their former teachers. They also get to see what it is like to be a teacher and engage a classroom of elementary students for most of the day.

The elementary students enjoyed the learning, games and creating as they learned about financial literacy. Here are some photos of them enjoying their lessons.

January 26th was a cozy "Pajama Day."

Here are some pictures showing participation and school spirit! Thank you Karen Kerr for the great photos!
