FOREST BROOK AND BRETTON WOODS "GO GOLD" TO SUPPORT CHILDHOOD CANCER AWARENESS

September is "Childhood Cancer Awareness Month." On Friday, September 23rd, Forest Brook and Bretton Woods Elementary Schools went "gold" in honor and memory of kids with cancer.

In a letter to parents, Dr. Kristen Reingold, Principal, said "On Friday, September 23rd, Forest Brook is going to "Go Gold" to support one of our very own students, Ryan Starace. Ryan's courage, strength and perseverance is truly inspiring. We are so thankful that Ryan has won his battle and continues to thrive. He is an inspiration to all!"

Forest Brook students and staff were encouraged to wear yellow or gold on Friday, September 23rd to support Ryan, and all of the children who have and continue to, fight cancer. Dr. Reingold thanked everyone in advance for their support which will help bring awareness and make a difference in the lives of thousands of children.

On Friday, September 30th, students and staff at Bretton Woods wore gold to support Pediatric Cancer awareness. They also decorated "hearts of gold" which were sent home with them to decorate and return with a donation of just \$1.00. These have been displayed in their main lobby. All proceeds will be sent directly to the "Memorial Sloan Kettering Cancer Center" to fund and research a cure for pediatric cancer. To learn more about the "Hearts of Gold" program, or if you wish to make a donation, [click here](#).

PINES ELEMENTARY SCHOOL HOSTS A “BUS DRIVER BREAKFAST”

On September 22, 2022 the drivers and aides from the Pines big buses and minivans were invited to the Staff Development room at Pines for a welcoming breakfast of casseroles, bagels and homemade scones.

It was a time to relax, meet the new drivers, visit with returning drivers and give them an indication of how valued and respected they are.

As breakfast was winding down Ms. Jeanne Beyer, Administrative Assistant, and Dr. Claudine DiMuzio, Pines Principal, went over the Peaceful School Bus rules and showed a short bus safety video that the students saw at their Peaceful School Bus assembly at the beginning of the year. The drivers then received the compliment forms for the Peaceful School Bus reward program, and Dr. DiMuzio and Ms. Beyer went over suggestions on how to use the compliments and rules to encourage better bus behavior. Drivers that have experience with the program shared the techniques they have successfully been using with their bus students to achieve a peaceful bus. Some of the ideas are very creative and truly give the students incentive to earn compliments.

Here's to many safe and peaceful bus rides!

BRETTON WOODS STUDENTS ENJOY "THE BRAIN CHALLENGE"

On Friday, September 23rd, HollyRock Entertainment came to Bretton Woods to host a fun and exciting assembly. "The Brain Challenge" was engaging and educational entertainment for everyone in all grades and of all ages. Even the teachers got involved and had so much fun!

The "Brain Challenge" assembly was able to teach sportsmanship, anti-bullying and team building while having fun and learning too. It was a blast and everyone had a great time!
