FOREST BROOK STAFF WEARS RED, WHITE AND BLUE IN HONOR OF FORMER STUDENT REPRESENTING THE USA AT THE “PARALYMPICS SNOWBOARDING WORLD CHAMPIONSHIPS”

On Wednesday, March 15th, the staff of Forest Brook wore red, white and blue in honor of their office secretary's son, and former student. Mrs. Christa DiVilio's son, Tyler, is representing the USA at the "Paralympics Snowboarding World Championships" in La Molina, Spain.

Tyler is a 2019 Hauppauge graduate who is attending the University of Utah in Salt Lake City. Tyler is pursuing a degree in Mechanical Engineering while training with Team Utah. Tyler has competed in Finland, Austria, Germany and the Netherlands, and is pursuing his dream of making it to the next Paralympics to be held in Italy.

On March 9th, U.S. Paralympics Snowboarding announced the eight men and seven women who would be representing Team USA at the 2023 FIS Para Snowboard World Championships in La Molina, Spain. The event kicked-off on March 10th. This is Tyler's international debut, with this being the first stop in the 2022-2023 season for Team USA.

When Tyler was six months old, his parents learned that he had a stroke before he was born that caused weakness in his right arm and leg. It is called Hemiparesis. This, however, did not stop his parents from sharing their love of skiing with him. Tyler has been skiing since he was two-years-old. When he was five he tried snowboarding and loved it even though it was challenging because his disability makes it hard to turn and shift his balance. If you would like to read more about Tyler's story, [click here](#).

Tyler and his mom, Christa, thank the Forest Brook staff and Hauppauge community for their continued support. Keep cheering Tyler on! We wish him all the best!

BRETTON WOODS PRINCIPAL PROVIDES A WELL-DESERVED BREAK TO TEACHER

Once a month the Social Emotional Learning (SEL) Committee does a raffle to see who will get a 20-30 minute break from their classroom. Bretton Woods Principal, George Gagliardi, gives that time back to the teacher by taking over their classroom for that period. This month Mr. Gagliardi gave our Kindergarten teacher, Mrs. Drago, a well-deserved break and while he taught her class their math lesson.

Enjoy these photos!

BRETTON WOODS KINDERGARTENERS LEARN THE ABC'S OF GOOD DENTAL HABITS

Dr. Radha Munk from Smithtown Dental P.C. in Nesconset, visited our Kindergarteners this week to teach them about dental hygiene. They watched a video, learned the proper way to brush and were very engaging in a question and answer session.

Here are some photos of the students learning about good dental habits.

FIFTH-GRADE STUDENTS GET TOGETHER FOR 2ND ANNUAL VOLLEYBALL NIGHT

On March 9th all three elementary schools met at the High School for their 2nd Annual Volleyball Night. The night is designed to get 5th graders together from the Pines, Forest Brook and Bretton Woods for a fun night of games. Students can show off the volleyball skills that they have learned in Phys. Ed class, as well as mingle with other 5th graders who they will be joining next year in the Middle School.

Students played eight games, while their families watched from the stands. The night was a huge success!

Thank you to the Elementary PE staff that organized the event and the high school Varsity Club who helped manage each team and keep score. Below is a photo of the group!

ELEMENTARY "STEAM" TEACHERS ARE SPARKING 2ND GRADERS' IMAGINATIONS WITH LEPRECHAUN TRAPS

Second-grade students at all three elementary schools are putting the Engineering and Art in STEAM. STEAM teachers, Audrey Bullaro and Carrie Pecoraro, sparked students' imaginations by reading, "How to Trap a Leprechaun" by Sue Fliess and facilitating their creativity to build traps to catch the mythical elves. Irish folklore tells of Leprechauns being miniature elves who are clever, magical shoemakers that enjoy creating mischief by pulling pranks and borrowing things during the night. If you catch a Leprechaun, he will grant you a wish.

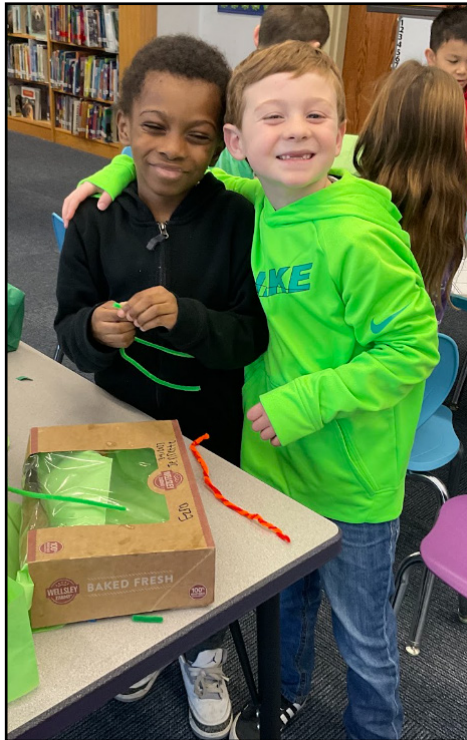

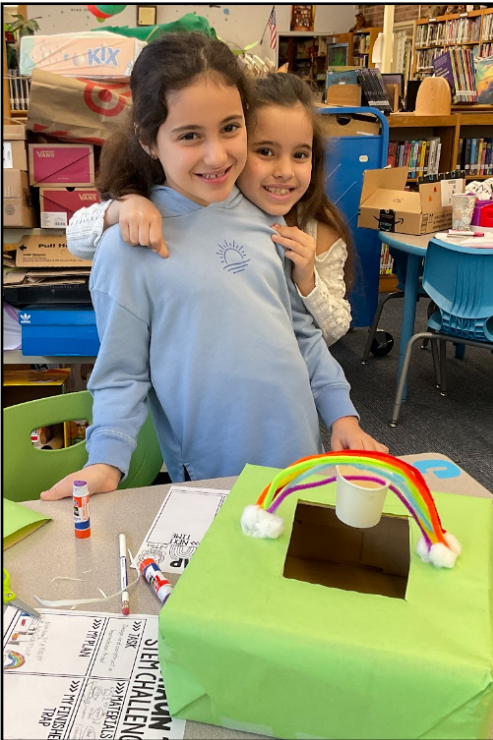

Students learned about the Engineering Design Process while listening to Irish music and creating their festive traps. Happy Trapping!

BRETTON WOODS STAFF GETS "PI'D" FOR A GOOD CAUSE

On Wednesday, March 15th, students celebrated "Pi Day" with a fundraiser to benefit the Rachel Quinn Children's Foundation. Students were able to choose a staff member to get "Pi'd" by placing a donation in a jar of theirs. The top teachers who get the most donations are then chosen to get "Pi'd" on March 15th.

The Bretton Woods Math Department's Pi Day Celebration was a resounding success! Thank you to all the staff members who volunteered to be "Pi'd" in the face in order to raise money for the "Rachel Quinn Children's Foundation" (RQCF). RQCF is dedicated to the well being and educational enrichment of children in the Long Island area, as well as spreading, inspiring and rewarding the characteristics of kindness that Rachel embodied.

The staff members chosen to get "Pi'd" and the person doing the honors were as follows:

Staff Member and Person Designated to "Do The Honors"

George Gagliardi - Dr. Donald Murphy
Bonnie Lukowski - Amy Thornton
Christine O'Shaughnessy - Pam Ratto
Kris Drago - TeriAnne Ceseretti
Danielle Sukoff - Melissa Wickers
Rich Lionetti - Jenn Casale
Keri Haviland - Teagan Parchen
Dr. Donald Murphy - Danielle Sukoff

All totaled, students, staff and friends of Bretton Woods raised \$2,170.59. Thank you for the many generous donations that will help children across Long Island.

PINES STUDENTS CELEBRATE "PI DAY" WITH A "PIE IN YOUR FACE" FUNDRAISER

This past Tuesday, March 14th, the Pines celebrated Pi Day with their annual assembly of pie-ing their staff members in the face. The Pines' Math Department, consisting of Mrs. Racioppi, Mrs. West, and Mrs. Simone, organized the Pi Day Fundraiser that began last week. During the week of March 6-10th, students brought in money and put their donations into the buckets of the teachers that they would like to see get "pied" on Pi Day! At the end of the week, the teachers with the greatest donations were...Ms. Mann, Mrs. McManus, Ms. Bernstein, Mr. Riccio and Mr. Preite. These five teachers then chose a student that would do the honors of pie-ing them in the face.

At the Pi Day assembly, the students loudly chanted the teachers' names as they eagerly awaited for the pie-ing to begin! With each teacher that got pied, the students grew more and more excited! Finally, at the very end of the assembly, the Pines' students got to see their very own Principal, Dr. DiMuzio, get pied in the face!

The Pi Day assembly has quickly become one of the most anticipated and exciting events of the school year and a wonderful way for our school community to raise money for a very special cause. The Pines community raised a total of \$2,200 for the Rachel Quinn Children's Foundation! What a beautiful tribute to a beloved Hauppauge teacher and former Pines graduate! Way to go, Pines!
