

POLICY AGAINST WORKPLACE DISCRIMINATION AND HARASSMENT

The Hauppauge Union Free School District is committed to providing a work environment that is free from all forms of discrimination and conduct that can be considered illegally harassing, coercive or disruptive. Discrimination or harassment based on race, color, national origin, creed, age, genetic information, marital status, familial status, domestic violence victim status, religion, disability, pregnancy-related condition, arrest (not pending), criminal conviction, military or veteran service status, use of a guide dog, hearing dog or service dog, or any other characteristic or basis protected by applicable law is strictly prohibited and will not be sanctioned or tolerated. The Board of Education further recognizes that preventing and remedying illegal harassment and discrimination is essential to ensure a nondiscriminatory environment in which employees can work productively.

This policy prohibits unlawful workplace discrimination and harassment based upon any characteristic or status protected by applicable law other than sexual harassment (including sexual orientation, gender identity and the status of being transgender). Complaints or concerns about workplace sexual harassment are addressed separately in Policy #0110, Policy Against Workplace Sexual Harassment.

Prohibited Conduct

Harassment on the basis of any protected characteristic is strictly prohibited. Harassment is considered verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of race, color, national origin, creed, age, genetic information, marital status, familial status, domestic violence victim status, religion, disability, pregnancy-related condition, arrest (not pending), criminal conviction, military or veteran service status, use of a guide dog, hearing dog or service dog, or any other characteristic or basis protected by applicable law. This includes, but is not limited to: any conduct that has the purpose or effect of creating an intimidating, hostile, or offensive work environment; has the purpose or effect of unreasonably interfering with an individual's work performance; or otherwise adversely affects an individual's employment. This prohibition extends to conduct by school employees, officers, board members, volunteers, students and non-employees such as agents, contractors and vendors, which occurs on school grounds or at school-sponsored events, programs or activities, including those that take place at locations off school premises or in another state.

Harassing conduct includes, but is not limited to: epithets, slurs, or negative stereotyping; threatening, intimidating or hostile acts; and written or graphic material that denigrates or shows hostility or aversion toward an individual or group and that is placed on walls or elsewhere on the District's premises, circulated in the workplace, or on the internet.

Discrimination is the act of treating or allowing similarly situated employees or applicants for employment to be treated differently with respect to hiring, firing, promotion or any other term or condition of employment because of any characteristics or bases protected by applicable law or this Policy.

Complaint Procedure

Any employee who believes that he or she has been subjected to prohibited harassment or discrimination or who has witnessed anyone engaging in prohibited harassment or discrimination should immediately contact one of the District's Title IX District or Building Coordinators. If the complaint involves or the employee is hesitant to bring the matter to the attention of a Title IX District or Building Coordinator, a report can be made to the Superintendent of Schools. If the complaint involves or the employee is hesitant to report to the Superintendent of Schools, the individual should report the behavior to the President of the Board of Education. The contact information for these individuals is listed on the District's website.

It is the responsibility of all supervisors to ensure that no employee is subjected to any form of prohibited harassment or discrimination. Should a supervisor become aware of the occurrence of harassment or discrimination, irrespective of whether the affected employee has filed a complaint, it is the

responsibility of that supervisor to follow the procedures set forth below in order to ensure that appropriate action is taken to eliminate the harassment or discrimination and rectify the situation.

The following procedure must be followed when there is any indication that harassment or discrimination has taken, or is taking, place:

- An employee who raises a question or concern regarding harassment or discrimination should be encouraged to file a written complaint with one of the District's Title IX District or Building Coordinators. A form for filing the complaint is attached to this Policy. If the complaint involves or if the employee is hesitant to file the complaint with a Title IX District or Building Coordinator, the employee should file the complaint directly with the Superintendent of Schools. If the employee's complaint involves or the employee is hesitant to report to the Superintendent of Schools, the employee should file a complaint with the President of the Board of Education.
- In the event that a supervisor becomes aware of an occurrence of harassment or discrimination, but discovers that no complaint has been filed by the affected employee or that the employee is unwilling to file a complaint, the supervisor must immediately notify a Title IX District or Building Coordinator or, if the behavior involves the Title IX District or Building Coordinators, the supervisor must immediately notify the Superintendent of Schools.
- All complaints about suspected harassment or discrimination will be investigated, whether that information was reported in oral or written form.
- All complaints of harassment or discrimination will be investigated by the Title IX District or Building Coordinator, or a designee of the Title IX District or Building Coordinator, Superintendent of Schools or the Board of Education (which may include a third party). The investigation will include, but not be limited to, interviewing the complaining party, the accused, any supervisors, and any other personnel, as necessary, to obtain sufficient factual information upon which to make a determination. All records of this investigation will be maintained in an independent and confidential file. Third parties may be designated to investigate the complaint or assist with any investigation.
- At the conclusion of the investigation, the investigator will report the findings to the Superintendent of Schools or, if the complaint involves the Superintendent of Schools, to the Board President. If it is found that prohibited harassment or discrimination has, in fact, occurred, appropriate corrective action will be taken.
- Where appropriate, the affected employee and the accused will be separately advised by the investigator as to the final disposition of the investigation.
- All investigations will be conducted in a prompt, thorough and impartial manner.

Confidentiality

At all stages of this process, the confidentiality and privacy of all parties, including complainants, informants, witnesses and the accused, will be respected to the extent possible and consistent with law while still conducting a thorough investigation of the complaint and taking appropriate corrective action as necessary.

Retaliation is Prohibited

Any act of retaliation against anyone who, in good faith, reports an incident of harassment or discrimination, or provides information or assists in an investigation of suspected harassment or discrimination as a witness or otherwise is prohibited and will not be tolerated.

For purposes of this Policy, retaliation includes, but is not limited to: adverse employment action(s) (*e.g.*, being discharged, disciplined, discriminated against; *etc.*), verbal or physical threats, intimidation, ridicule, bribes, destruction of property, spreading rumors, stalking, harassing phone calls, and any other form of harassment. Anyone who retaliates against another in violation of this Policy is subject to appropriate corrective action including, but not limited to, disciplinary action, as warranted, in accordance with District policy, the District's Code of Conduct, and applicable laws, regulations and contractual provisions.

Any individual who believes that he or she has been subjected to any acts of retaliation should immediately report that conduct to a Title IX District or Building Coordinator. If the complaint involves or the individual is hesitant to bring the matter to the attention of a Title IX District or Building Coordinator, the report should be made to the Superintendent of Schools. If the complaint involves or the individual is hesitant to bring the matter to the attention of the Superintendent of Schools, the report should be made to the President of the Board of Education.

Interim Measures

If the complainant reports that (s)he feels unsafe at work due to the nature of the complaint, the District will determine if interim measures or accommodations need to be made pending the investigation and resolution of the complaint.

Corrective Action

If, after appropriate investigation, the District finds that there has been prohibited harassment, discrimination or retaliation in violation of this Policy or law, appropriate corrective action will be taken in accordance with an applicable collective bargaining or other agreement, District policy, the District's Code of Conduct and applicable laws and regulations.

If the accused is an employee, consequences may include, but are not limited to, disciplinary action up to, and including, termination of employment. If the accused is not a District employee, consequences may include, but are not limited to, termination of any contractual or other relationship between the District and the individual. If the accused is a student, appropriate disciplinary measures may be applied up to, and including, suspension in accordance with the District's Code of Conduct and applicable laws and regulations.

Bad Faith Claims
