**EMPOWER THE
FUTURE!**

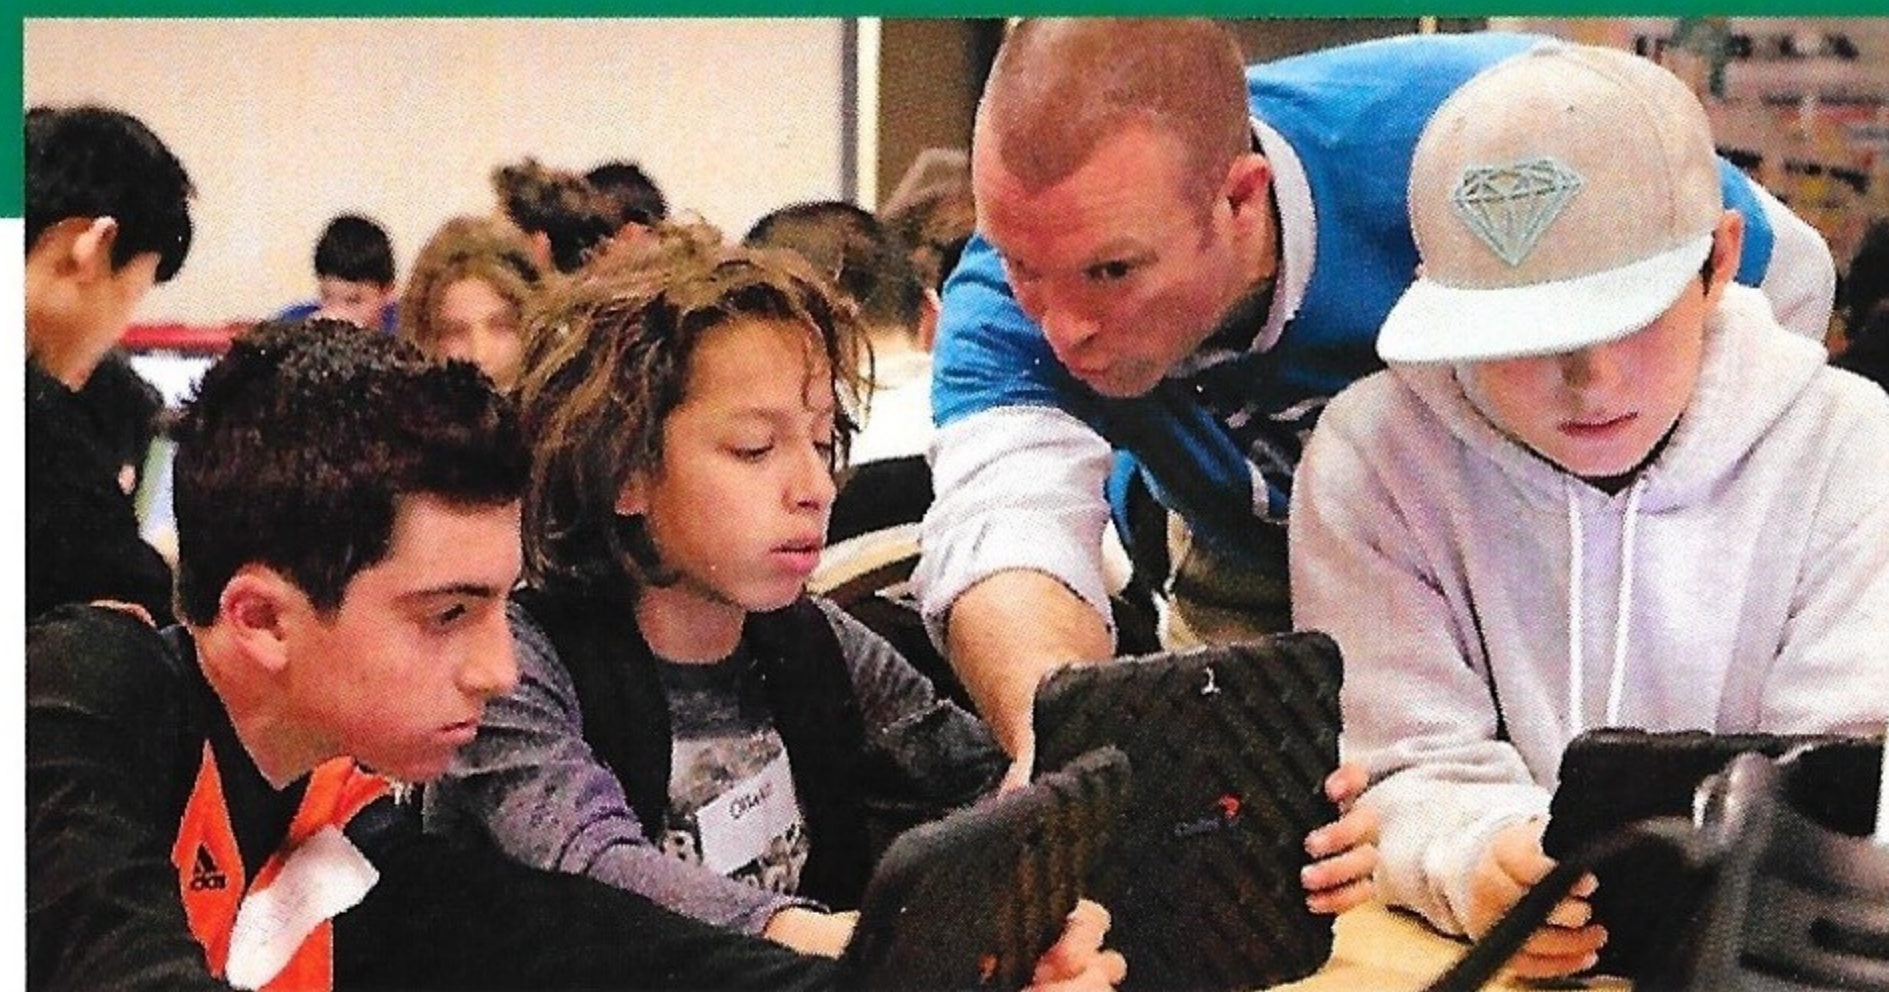

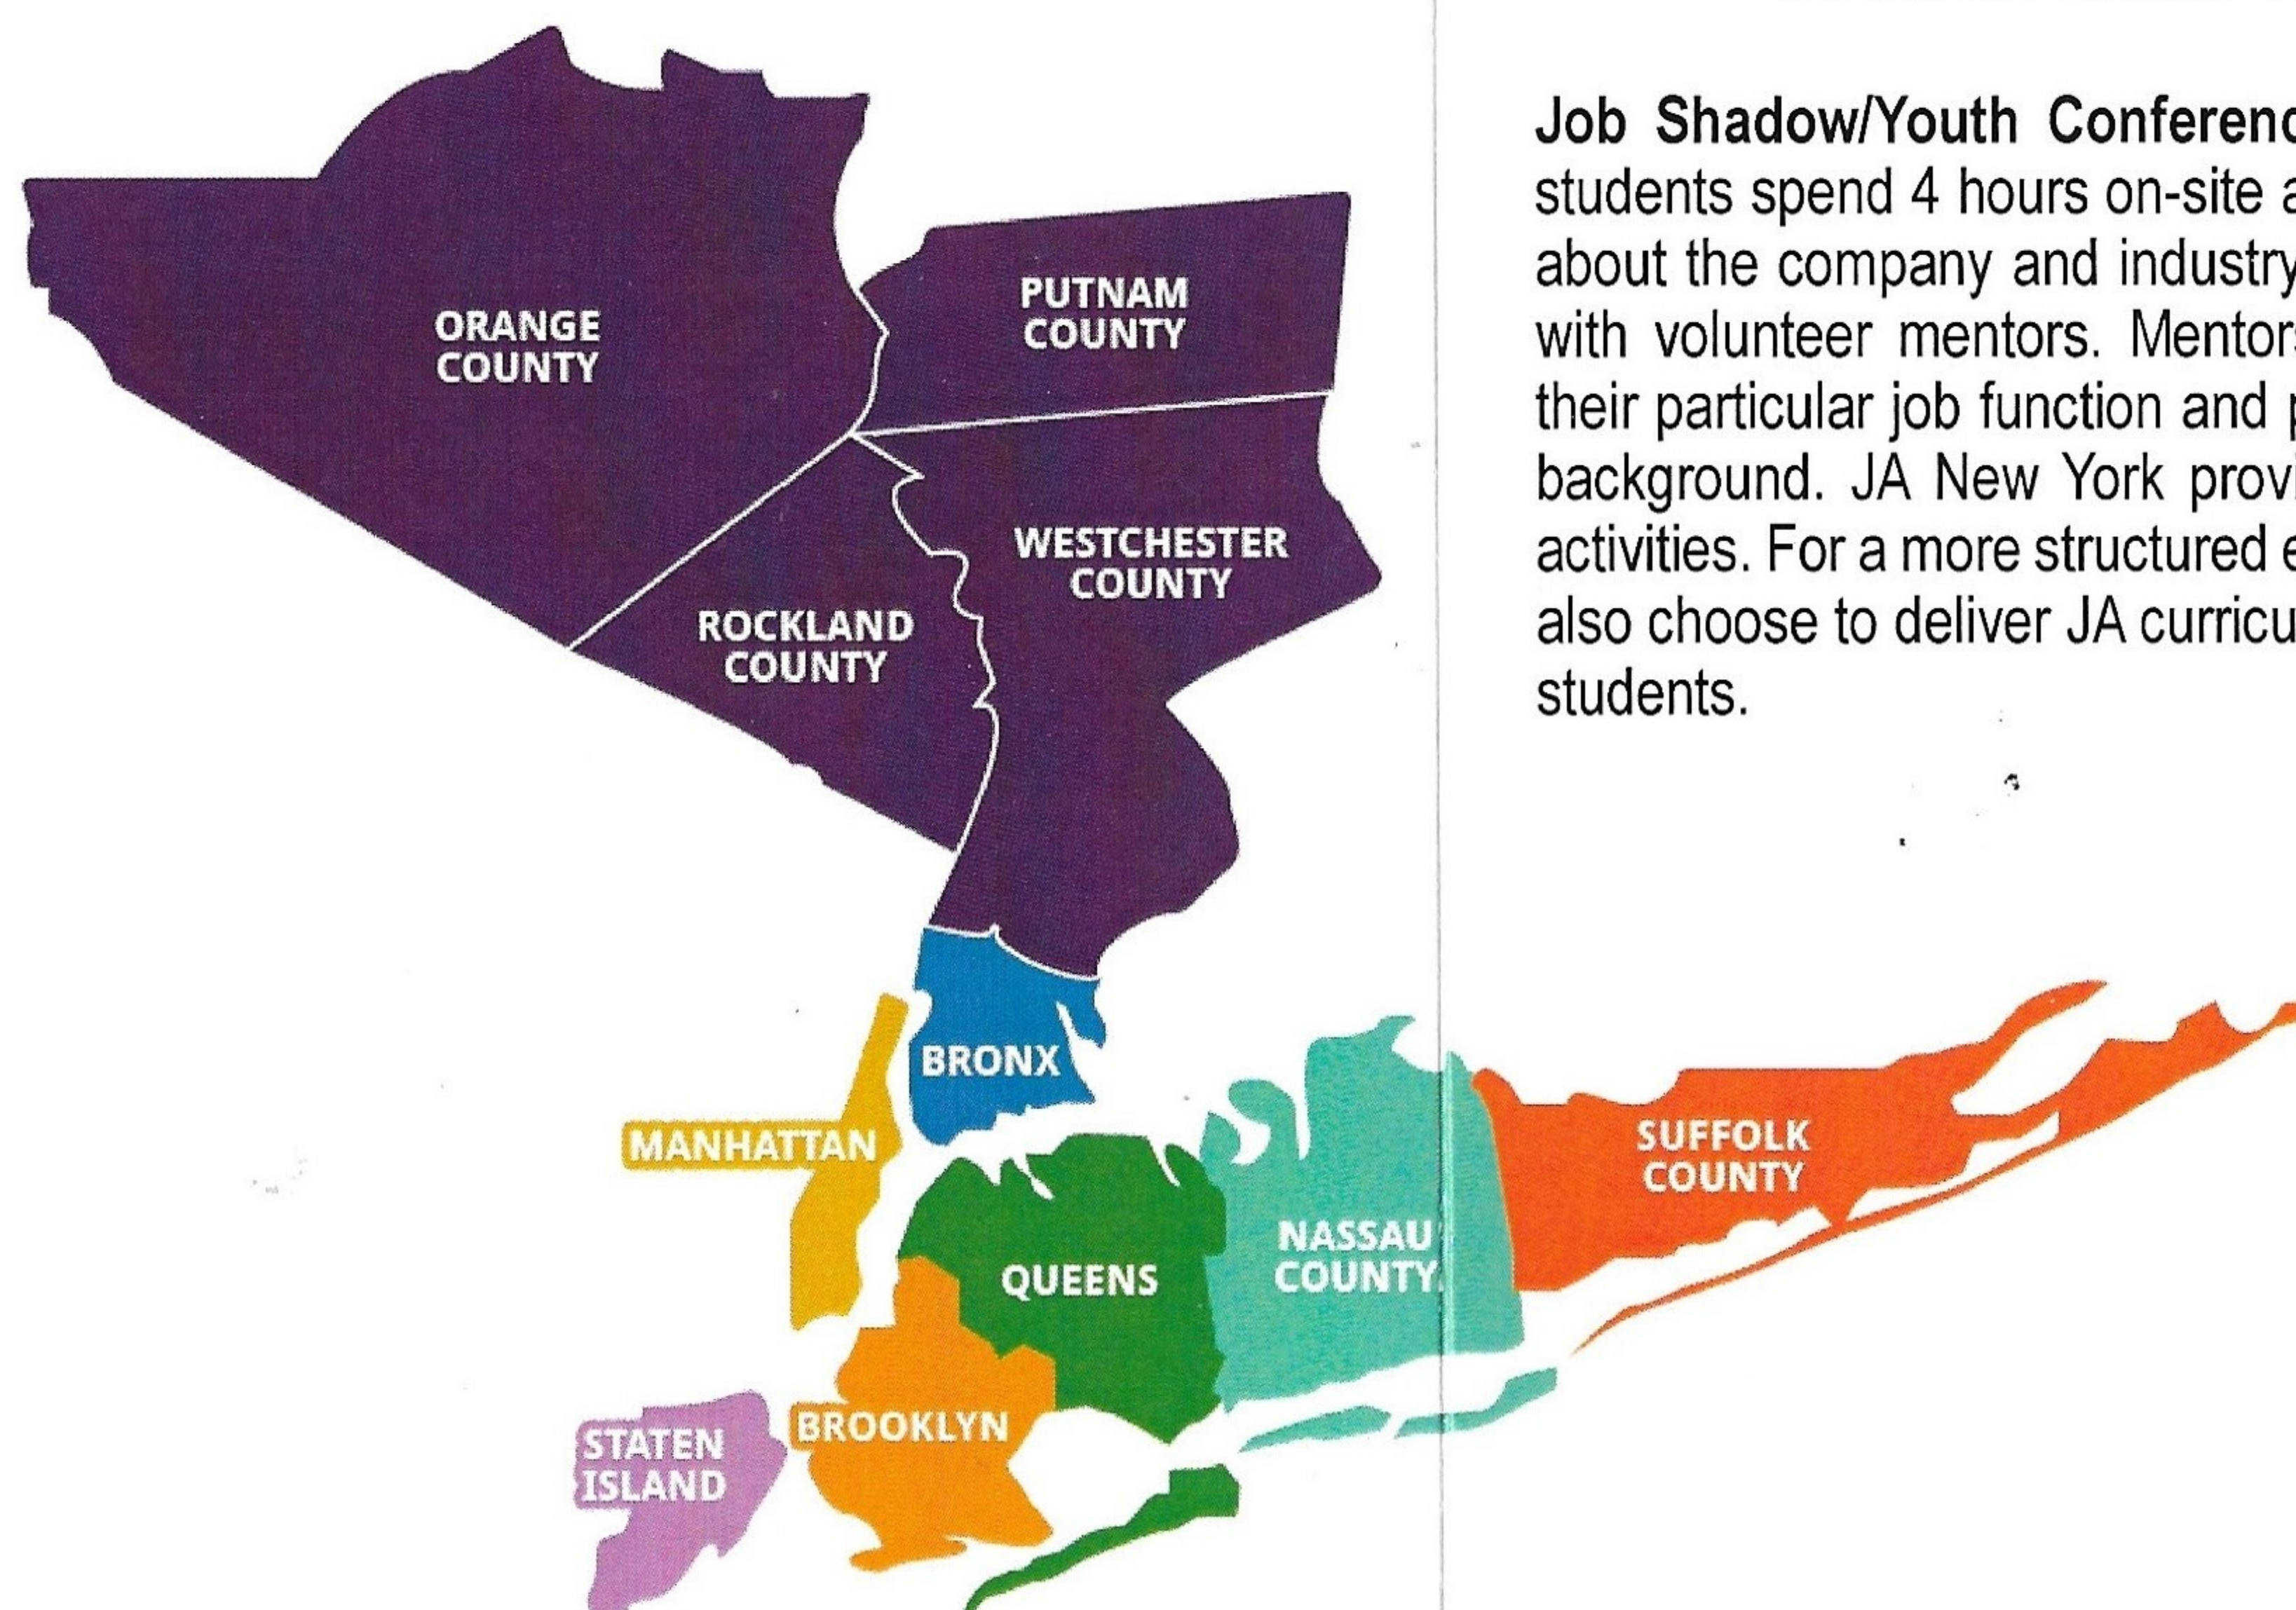

MISSION & PURPOSE

Junior Achievement of New York (JA New York) inspires the next generation of young people to turn “I can’t” into “I can” and realize their full and boundless potential. We empower youth with authentic, relevant real-world experiences, challenging them to envision what’s possible if they work hard and dream big.

JA New York is the local affiliate of Junior Achievement USA, the nation’s largest organization dedicated to educating K-12 students about work readiness, entrepreneurship and financial literacy through experiential, hands-on programs. JA New York shows students how money, careers and business ownership work with the help of volunteer role models from the community.

Our programs are delivered by more than 6,600 committed business and community volunteer role models. JA New York provides vital programs to more than 275 NYC, Long Island and Lower Hudson Valley schools, transforming the lives of more than 85,000 students each year.

COMMUNITIES WE SERVE

VOLUNTEER

Volunteering in a classroom, or at your place of business, is one of the most rewarding experiences you may ever have. Here is a sample of how you can get involved.

SCHOOL-BASED VOLUNTEERING

JA in a Day: Volunteers teach the JA program in one full day at a nearby elementary or middle school. Volunteers generally “team teach” the full 5-6 sessions with a partner in a one-day workshop format. Alternately, programs can also be delivered by individual volunteers in classrooms one hour a week for 5-8 weeks if they prefer.

COMPANY-BASED VOLUNTEERING

Job Shadow/Youth Conference: Middle or high school students spend 4 hours on-site at a host company learning about the company and industry, while also spending time with volunteer mentors. Mentors share information about their particular job function and professional and academic background. JA New York provides sample agendas and activities. For a more structured experience, companies can also choose to deliver JA curriculum on-site with a group of students.

FUNDRAISING

You can support the growing need for JA programming by joining your colleagues in fun, morale- and team-building special events, coordinated by JA Events staff.

Bowl-A-Thon: These parties with a purpose are great company outings or team building activities. Lace up and get bowling!

Golf Classic: Enjoy a day of great golf, networking, food and refreshments at our spring and fall golf outings.

Leadership Awards Gala: Held in November in Manhattan, this annual event recognizes individuals who have made significant contributions to JA New York’s mission and features our Student of the Year award. JA New York also hosts an annual awards dinner each spring in the Lower Hudson Valley.

Play-4-JA: Choose your favorite activity - spin competition, karaoke night, marathon running, casino night (which JA staff can coordinate) - and use it to raise money for JA New York’s K-12 education programs.

A Note to our Partners: JA New York provides its programs to schools with the support of generous corporate, individual and foundation partners.

Each class costs JA New York an average of \$1,000, covering volunteer and school recruitment, training and coordination, classroom materials and administrative expenses.

We hope that our corporate partners see the value in the skills-based volunteer opportunities we provide, as well as the positive impact in the community, and we welcome financial support to underwrite some or all of the costs to deliver these engagement opportunities.

To discuss potential funding for a volunteer engagement with your company please contact info@jany.org.
