Dear Hall of Fame Inductees:

It is with great pleasure that I welcome you into the Hauppauge Athletic Hall of Fame. Today's induction is symbolic of the many years of hard work and dedication to the athletic programs at Hauppauge. Your ability to represent the Hauppauge Athletic Department and the Hauppauge community with pride and class sets you apart from everyone else.

Your induction comes with great responsibility, as you will forever be a role model for the future student/athletes at Hauppauge. I am confident you will enjoy this weekend full of remembrance and reflection of the times you had as a high school athlete. This honor is one not to be taken lightly; it is significant and you should all be proud.

One of the many goals of this Hall of Fame is to build community support and camaraderie, so please feel free to come back to any athletic event and bring your friends and relatives. It is important for you to remember where you started and we will continue to work hard at never forgetting you!

You can call me anytime to discuss future events or other opportunities in which you may want to get involved. The Hall of Fame weekend will always be centered around Homecoming and your attendance will always be welcomed and appreciated. Remember "Once an Eagle always an Eagle." Please spread the word to other alumni around the country and let them know we will always welcome them back home. Please keep in touch and enjoy your special day!

Best wishes,

Dan Butler

"It was character that got us out of bed, commitment that moved us into action, and discipline that enabled us to follow through."

-Zig Ziglar

Dear Inductees:

It is my privilege and pleasure to be with you today as you are honored for your contribution to the rich legacy that is Hauppauge Athletics and inducted into the Hauppauge School District's Athletic Hall of Fame. It should be no surprise to you that you have been selected from among many talented, dedicated and successful athletes and coaches who have given their best efforts throughout the years.

It is true that participation in athletics helps make us strong, both physically and mentally. It is also said that participation in athletics builds character. With this, I disagree. I do agree that participation in athletics makes one gritty, as well as develops fortitude and the ability to set and achieve goals. However, I do not believe participation in athletics builds character. Rather, I believe your participation in the Hauppauge Athletics simply revealed your character. As the quote above says, it was your character that got you to practice and gave you the discipline that was necessary to be successful.

Today, we honor you for your commitment, dedication and character. On behalf of the Hauppauge community, I congratulate you for your accomplishments and thank you for leaving a legacy and for being an important part of our storied athletic program.

Sincerely,

Dennis P. O'Hara
