

Logging in to your **Hauppauge Google Account** (GAFE = Google APPS for Education)

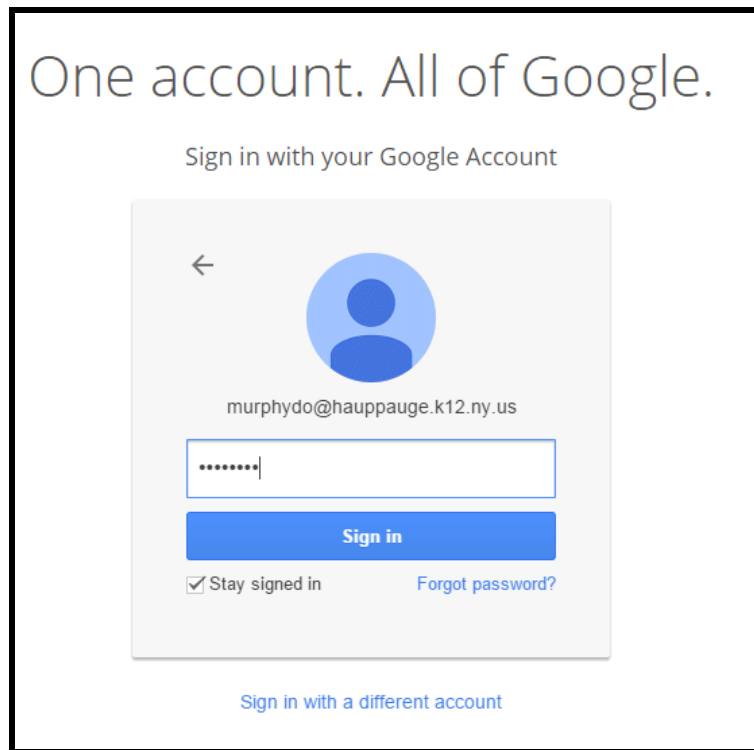

1. In your Chrome Browser, type in drive.google.com

2. Type in your Hauppauge Username, and be sure to include the entire address. Then click the blue “Next” button:

3. On the next screen, type in your Hauppauge Network password.
(Your password is the same password you use to login to computers in the district)

4. You will now see your Hauppauge Google Drive
