Dear Parent:

Please read and discuss the criteria listed below with your child prior to signing this form. It is important for your child to understand the responsibility and ramifications that he/she is undertaking by enrolling in driver education.

Students wishing to participate in the driver education program must return this application to the main office with a copy of their permit, by 2:15 P.M. by January 16th. **Driver education classes will start on Tuesday, February 5, 2019.**

Eligible pupils are those who possess a learner's permit, are in 10th, 11th or 12th grade, and are in good academic standing. It is expected that proper footwear be worn for the driving portion of the program. Failure to do so will result in driving privileges being denied. Students will be assigned classes based on chronological order of their date of birth, and on a first come, first served basis. **A copy of the learner's permit and \$425.00 registration fee must accompany the pupil's application at the time of submission. (CASH OR PERSONAL CHECKS CANNOT BE ACCEPTED - MAKE MONEY ORDER OR CERTIFIED CHECK payable to HAUPPAUGE PUBLIC SCHOOLS). After a student has been admitted to the program, NO REFUNDS WILL BE GRANTED.**

It is most important that students and parents understand the attendance requirements that exist for this one-semester program. To successfully complete Driver Education, each student must meet the following minimal time requirements, as prescribed by New York State and **pass a written examination**, administered locally to receive their 5-hour certificate:

| | |
|----------------------------------|-----------------|
| CLASSROOM INSTRUCTION | 24 Hours |
| CAR (on-road) INSTRUCTION | 6 Hours |
| CAR (observation) | 18 Hours |

When a student is absent from any session, it must be **made up within that month**. It is the pupil's responsibility to find an opening in a session, a task that is often difficult. If the session is not made up within the month, the pupil must attend an emergency make-up session at the end of the course. This opportunity will be available to make up only a **single** car, or class session. The student will be dropped from the class upon the **third absence**, and any absences that are not made up will result in the student being dropped from the program with **NO REFUND**.

In accordance with New York State Education Department guidelines, **NO CREDIT TOWARD GRADUATION** can be earned by pupils enrolled in a driver education program with a tuition fee.

I have read, understand, and agree to the terms of enrollment for the Hauppauge H.S. Drivers Ed Program and give my permission for my child's enrollment.
