Hauppauge, New York 11788

REBECCA BILSKI

Assistant Superintendent for Pupil Personnel Services

September 20, 2023

Dear Hauppauge Community:

Please be advised that Hauppauge School District guidelines state students be symptom-free from vomiting and diarrhea for twenty-four hours before readmittance to school is permitted. If a student arrives at school in less than the twenty-four hour period after the occurrence of symptoms, the student will be sent home.

We appreciate your understanding, as the health and safety of our school community remain our top priority.

Sincerely,

Rebecca Bilski

Assistant Superintendent for Pupil Personnel Services
