## **2023-24**

### **Supply List**

While much of the lessons and assignments will be accessed and completed through Google Classroom, traditional notebooks and folders are still needed.

It is recommended that students have two 5-subject notebooks or three 3-subject notebooks. Students will also need 2-pocket folders for each of their classes. Folders that fit within the 3-holed notebook/trapper-keeper are ideal. Many students find it useful to divide their subjects into separate “AM” and “PM” binders.

Other recommended supplies are as follows:

- Marble notebooks: 2 for Grade 6 ELA, 1 for Grade 7 & 8 English
- Index Cards
- Post-it notes
- Highlighters
- Pens, pencils
- Colored pencils
- Pencil case (three holed with zipper)
- Earbuds
- Calculators
  - Math 6: Optional/Any basic calculator
  - Math 7 & 8: Texas Instruments 30XIIS
  - Algebra: Ti 84 Plus
